Terms of Quarterly Membership

It is understood that this is an annual contract. And by signing this form you agree to pay your dues quarterly until Oct 1, 2008. Payments will be due by the 15th of each month in which they are due. These months are October, January, April, and July. If payment is not received by the 15th of these months, a 10% finance charge will be added per month late and membership privileges will be forfeited on the 15th. All quarters must be paid in full to renew membership the following year. Failure to do so will result in the forfeiture of future membership purchases.

I understand and agree to abide by all of the rules and regulations listed above, as well as others that might arise on a need basis throughout the life of the contract.
