Our outlook on Junior Golf

*"Golf is the closest game to
the game we call life."*

-Bobby Jones

What your child will learn...

Proper Swing Methods

Golf Etiquette & Ethics (Honor, Respect,
Integrity)

Rules of the game

How to build fellowship and social skills

Development of self-worth

How to win as an individual and a team
player

AND HOW TO MAKE GOLF FUN!!!!

Although we teach optimal performance methods and we tend to focus in on the technical part of the game, we also want your child to learn the life lessons that the game of golf has to offer.

Golf is just a game...

However, it provides building blocks that help us live a happier life. We learn how to be kind and respectful to our fellow competitors, how to make decisions, be honest, disciplined, and how to overcome tough obstacles.

These are some of the things that are best learned earlier rather than later in life.

Making Golf Fun!!!

Some may feel like golf is boring and is so difficult that it is hard to enjoy.

Though we may have some serious moments when we are learning the technical and etiquette side of golf, it is our mission to make golf fun.

Even if it is a silly game played between competitors, we can most definitely have fun and still learn something that we did not know before.

Here at Palatka Golf Club, we will make sure that your child enjoys their time at camp.
