Our take on Junior Golf

"Golf is the closest game to the game we call life" -Bobby Jones

Although we teach optimal performance methods, we also want your child to learn and embrace the life lessons that the game has to offer. Honesty, Respect, Integrity, and Pervserance to name a few.

Camp Information

Juniors are not required to have their own golf clubs, however, it's always best to learn on consistent equipment. Juniors should bring a refillable water bottle, sunscreen, bug spray & preferred snacks if they wish.

***We ask juniors not to share snacks due to the risk of food allergies*.**
